Undeniably classic, our indispensable skinny belt is crafted in glossy patent leather. Or if you decide to go with the metallic snake, nothing says glam like a little silver, as shown by this metallic lizard skinny belt that adds just the right hint of shimmer (and texture) to any look.

Simply put, PremierONE is the ideal way to implement and manage a Corporate Apparel program. With simple budget controls, headache-free accounting, FREE Shipping, one-size pricing, and a fair and streamlined exchange policy, you’ll wonder how you ever lived without it.

**Headache-Free Accounting**
PremierONE e-gift cards reduce the accounting process to a single transaction per associate. All other transactions (returns, exchanges, additional purchases) are executed by the associate via their iManage Account. Your accounting department will love you for this.

**Free Shipping**
$10 flat rate and FREE shipping on orders of $250+.

**iManage**
iManage is the industry’s most sophisticated online e-company store platform: budget controls, allotment and e-gift-card programs, employee rewards programs, direct connect communication, return/exchange processing, order history and account management.

**Budget Controls**
Pre-paid PremierONE e-gift cards allow you to easily manage and maintain multi-associate budgets with pre-determined spending limits.

No need for time-consuming order approvals. Orders that go beyond the gift card’s set budget require an associate’s personal credit card to pay for the balance.

**One Size Pricing**
There’s one price per garment style regardless of size. No upcharges for +sizes means all participants are treated equally regardless of shape or size. We think this is a better, fairer way to do business. The competition often disagrees.

**EZ Exchange**
Our 4-step process is fast, easy, efficient and fair. It goes like this:
Request a return through your iManage online store account.
Receive a return authorization and FREE UPS return label in real time.
Ship your order back to us.
Place an exchange order using the return credit applied to your iManage account.

PremierONE EZ Exchanges are prioritized to reduce the amount of time associates are without their complete new ICO wardrobe.

**Bag-By-Name Delivery**
Each associate’s order is delivered in an individual garment bag.
